Ms. Paula Gallant
Beechville/Lakeside/Timberlea Elementary
22 James Street
Timberlea, NS B3T 1G9

Dear Ms. Gallant:

On behalf of the NSCAD Art Education Division, students and faculty, I would like to thank you for your generous support in hosting one of our student teachers in *Advanced Practicum* this semester. As you are aware, the classroom experience is a significant aspect of our program and the practical insights gained for by our students through these placements are critical to their development as classroom teachers.

I hope that we will have many opportunities to work with you again. We very much value your support for art education in the schools. Please feel free to contact me should you like to host another student in the near future. It is quite likely that I will be in touch again regarding possible future placements. I wish you a very successful remainder of term.

Sincerely,

Richard Mueller
Associate Professor
Coordinator of Student Placements

cc: Mr. Mike O'Leary, Principal
